

Uncover this chic and colourful city - a contemporary coastal resort, with a love of the outlandish.

## Why choose Brighton?

Receive a warm welcome at the local clubs, and in surrounding East Sussex, which boasts some of the most spectacular scenery in southern England.

Travel in style on a Routemaster bus afternoon tea tour (price on request), where you'll pass by the UK's most eccentric palace – The Brighton Royal Pavilion.

Alternatively, take in panoramic views from above with a flight on the Brighton i360.
