

With a mix of country, coast and scenic villages and towns, the Bristol and South-West coastal area is a clear winner for a premier bowls trip. Boasting some of the best variety in the country and enjoying a balmy mild climate, surrounded by trees and shrubs, this region provides an idyllic backdrop for your bowls club tour.

Why Bristol and the South-West Coast?

Numerous clubs with superb, championship-standard greens and facilities including a former winner of Bowls England 'Club of the Year'

The seaside heart of North Somerset, Weston-super-Mare with its extensive sandy beach is one of England's classic seaside spots, a favourite since Victorian times. Discover delights including the refurbished Grand Pier.

The Severn Estuary together with Sand Point and Middle Hope peninsula are biological and geological Sites of Special Scientific Interest, with commanding views of the Bristol Channel, South Wales, Clevedon, the Second Severn Crossing as well as the Severn Bridge.
